Chief of Operations, DD/P

Acting DD/S

SEP 27 1956

Dick:

In an effort to get something started in accordance with the Director's wishes as outlined in my memorandum of 2 August 56, subject: [REDACTED]

[REDACTED] the Office of Training has recommended that a Committee be established to tackle the problem. Please note attached memorandum from the Director of Training.
(Over)

If you concur in this proposal may I suggest that [REDACTED] be called upon to serve as Chairman of the Committee. In my opinion it would be more appropriate for such a group to be steered by a senior DD/P officer than anyone else.

Please return the attached memorandum to me.
